Better  
at Home

United Way helping seniors  
remain independent.

### Better at Home announces rural and remote pilot locations

The United Way's Better at Home program has selected five communities for the rural and remote pilot project: Nakusp, Invermere, the Villages of Fraser Lake and Valemount, and Pender Island.

[Read about the process here.](#)

### Bridging the divide: Better at Home supporting diverse seniors in Burnaby

Burnaby Better at Home works with community partners to help Roya, a proud 92 year old woman from Afghanistan.

[Read about Roya's story here.](#)

### The ins and outs of a community-based provincial program

Building on community assets and developing capacity at the program level are at the root of Better at Home's work.

[Read about Better at Home's provincial program here.](#)

### Castlegar Better at Home gives personal attention to its clients

Individual care and personal attention foster trusting and productive relationships in Castlegar.

[Read more here.](#)
