Better at Home welcomes new programs

Better at Home proudly announces the next set of programs to the team: Vancouver's Inner City serving the Downtown Eastside, Strathcona and Chinatown; Creston Valley and the Central Okanagan in BC's Interior; Prince Rupert and Fort St. John in the North; and Victoria's Saanich and West Shore communities. The addition of these seven new programs brings us to a total of 60 Better at Home programs across British Columbia.

Chilliwack Better at Home takes the stage!

Congratulations to our friends at Chilliwack Better at Home who marked their official launch on March 13, 2014 with a senior's High Tea gathering. During the launch, several clients of the Better at Home Friendly Visitor service provided touching examples of how a friendly visit by a volunteer has impacted their lives.

Kudos to a fabulous start!
